PROFESSIONAL SUMMARY

Motivated and detail-oriented Web Developer with hands-on experience building responsive, user-friendly websites using modern front-end and back-end technologies. Recent Computer Science graduate from Universitas Gunadarma with a solid foundation in web fundamentals, database design, and collaborative development workflows. A fast learner with a strong drive to write clean, efficient code and continuously grow technical skills to deliver reliable, high-quality web solutions.

WORK EXPERIENCE

ATTRIA COFFEE | BOGOR, JAWA BARAT **Dec 2025 – Mar 2026**
Web Developer

- Designed and built the official business website (**attriacoffee.id**) using **HTML5**, **CSS3**, and **JavaScript**, showcasing the menu, cafe ambience, and business information to attract customers.
- Wrote and published SEO-friendly blog content and local guides (e.g. recommended cafes in Bogor) to improve organic search visibility and drive traffic to the site.
- Ensured the website was fully responsive across devices and integrated **Google Maps** and social media links, making it easy for customers to find and visit the cafe.

EDUCATION

UNIVERSITAS GUNADARMA | DEPOK, JAWA BARAT **Graduated Aug 2026**
